Dear Brandon Wiebe:

Thank you for the opportunity to visit your school. *The Education Act* 4(1) and 358 and *The Registered Independent Schools Regulations* 23 and 24 provide the framework for the inspection of registered independent schools.

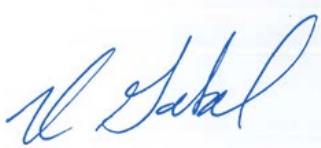

Upon inspection on September 1, 2026, King's Christian Academy was found to be in compliance with the Act and Regulations with respect to facilities, educational activities, educational operations, and school records.

It was also determined that King's Christian Academy provides instruction in the required areas of study and that instruction is appropriate for the age and ability of its pupils, comparable in quality to that of schools, and consistent with generally accepted teaching principles. Please continue to ensure all teaching changes are reported to the ministry.

There are no outstanding issues that we will need to follow up on during the 2026-27 school year.

If you have questions or require further assistance, I can be contacted at 306-787-1843 or at kevin.gabel@gov.sk.ca.

Sincerely,

Kevin Gabel
Director of Independent Schools and Home-based Education
